	<u>NAME</u>	<u>ADDRESS</u>	<u>PHONE</u>
1.	_____	_____	_____
2.	_____	_____	_____
3.	_____	_____	_____

RESPONSIBLE PERSON NUMBER _____ has a key to my home and authority to enter/reset/have the alarm repaired.

My alarm company has the authority to enter my home/repair my alarm system in my absence. Yes _____ No _____

My alarm company has an automatic shut-off system after fifteen(15) minutes. Yes _____ No _____

Police Procedures for Burglar Alarms: Police respond to many alarms each year when the owner is not at home. Each door and window that is accessible is checked to ensure no entry has been made. If the home is completely secured, the officer leaves after the building check is complete. If an open door or window is found, police enter to ensure no one is inside. Home is then secured if possible and the officer leaves. If a crime has been committed, police attempt to notify a responsible person. Please complete the following:

The police have authority to enter and check my home on an alarm call when a door or window is found open, unlocked or broken into. Yes _____ No _____ If your answer is **no**, police will make an exterior check **only**, then depart the premises.

Is there an animal on the premises that may be dangerous to the officer? Yes _____ No _____ If yes, describe _____

Signature of Resident _____ Date _____
