### I. Eddy Island Improvements

The Indian Hills Homes Association has proposed the following improvements at Eddy Island:

- Remove the triangle beds (4) on Eddy Island and replace with decomposed granite
- Remove the soil, all plant material, and the steel edging for disposal
- Excavate for a limestone drainage base, place soil separator fabric, and then fill with 3-4 inches of decomposed granite (approx. 6 tons) to match.
- Grade area. Sprinkler heads removed and capped.

Cost: \$ 4,238.00
