**RE: Small Cell Communications Facility Maintenance Statement**

Ms. Lee

Pursuant to Section 5-1505.C(10) of the Madison municipal code, please accept this letter stating that Extenet Systems, LLC as owner and operator of the small cell network in the city, will be responsible for all maintenance and repair of the network and facilities. This includes all components of each small cell location. This also includes any landscaping, if it was required as part of the permit.

Extenet monitors the network 24 hours a day, seven days a week through our Network Operations Center (NOC). Our NOC will have contracts with local companies that can be dispatched if maintenance or a repair is required. This will be managed wholly by our NOC and all requests for repairs or maintenance will need to go through them. Extenet Systems LLC NOC contact information is (866) 892-5327 and [noc@extenetsystems.com](mailto:noc@extenetsystems.com)

If you have any questions or require additional information you can contact me at [jmilone@extenetsystems.com](mailto:jmilone@extenetsystems.com) or 281-203-6100.

Respectfully submitted
